Re: Freedom of Information Request
EPA-HQ-2015-008401

Dear Ms. Novak:

This letter is in response to your Freedom of Information Act (FOIA) Request for a copy of all materials relating to PZP as well as relating to the Pesticide Fact Sheet for PZP and a copy of the petition that Friends of Animals has filed against using Porcine Zona Pellucida (PZP) on wild horses and burros.

Our last correspondence to you was via e-mail on 11-8-2018, to date we have not received a response from you. We also attempted to reach you by phone and found that the phone number provided is a fax line. Agency protocol is that we send studies and responsive records via certified mail, we do not send these sensitive documents to a P.O. Box. In order to provide you with the records responsive to your request, we need an address and a signature on delivery. Please provide us with this information.

If you determine that the firm or company still needs these records please contact us within 7 business days. If we do not receive further information or instruction from you we will close this FOIA request. If you have any questions or need additional information, please contact me directly at (703-305-5301) (9:00 a.m. to 6:00 p.m.) or via email at richardson.lashonia@epa.gov. Refer to FOI Number EPA- EPA-HQ-2015-008401 when contacting the office about this request.

Sincerely

A handwritten signature in black ink that reads "LaShonia D. Richardson".
